## What Options Should I Choose?

We always advise selecting a mixed range of items, i.e.

- White Meat
- Red Meat
- Fish Option
- 2 x Vegetarian Option
- Carbohydrate Based Item

However, you know your guests better than us and we are happy to cater to their requirements.

## Can This Be Dropped Off?

Yes, of course it can. We use disposable trays that allows you to serve without a commercial kitchen and it saves on washing up.

## Can We Have The Buffet Built on Sight?

Absolutely, we can prepare it fresh on the day, subject to the facilities on site and we can also serve it on china platter.
